Am  
I live and I grow  
Am C  
I spread my wings and fly  
C F  
I open my cocoon  
F G Am  
just like a butterfly

I give thanks to my roots  
they hold me to the ground  
I kick away my boots  
to dance round and round

I know who I am  
the gifts that I bring  
I laugh and I cry  
it makes me want to sing

Am Cdur F G Am  
And when the time will be right I will fly I will fly

Am Cdur F G Am  
when the time will be right I will fly I will fly
